THE LAIRD LOOK

FM-1. The Shetland Revival. The lowering of thermostats in recent years has been implemental in the rediscovery of the Shetland sweater. Recently, our president personally traveled to the British Isles in search of a Shetland sweater manufacturer with the appropriate credentials for fineness of wool, richness of dyes and quality of production to meet our discriminating standards. We proudly present to our customers our exclusively hand-framed all-wool Shetland sweaters imported from Scotland. This versatile garment is both luxuriously soft and warm due to the unique wool which is derived from the fleece of the moorlands sheep. This unparalleled wool is what makes Shetland garments warmer, weight for weight, when compared with other woolens. Heather tones of red mix, pumpkin, natural, grey, blue mist and green mix. Solid tones of light yellow, bright gold, spring green, emerald green, island pink or navy. Sizes: 38-46, $22.50.
